

Virtual Reality Expedition Experience

Google Expedition

Google Expeditions is an immersive education app that allows teachers and students to explore the world through over 1000 virtual-reality (VR). You can swim with sharks, visit outer space, and more without leaving the classroom.

How to download Google Expedition

In order to access tours and use google expedition, the first step is to download the expedition app on your device with parental permission.

1. Grab your device and make sure it is connected to Wifi
2. Locate the **App Store** on Apple or **Play store** on Android.
3. Tap search and enter **Google Expedition**.
4. Tap **Expeditions** then install onto your device

How to Find and download Tours on Google Expedition

Once you have successfully downloaded Google Expedition, the next step is to choose and download a tour onto your device.

1. Grab your device and make sure it is connected to Wifi and open the expedition app.
2. Once the app is opened you will be taken to the home page on the bottom left called **Discover**.
3. To search for **Tours** scroll on the main page until you find one you like or to search for specific **Tours** click on the magnifying glass and type.
4. Once you have chosen your **Tour** click on it and click **Download to view or guide** to start downloading **Tour**.
5. Once downloaded, you will find all your downloaded **Tours** in the library at the bottom panel of your device.
6. Click **Library** and choose your **Tour**.
