

# Investing for Success

Under this agreement for 2019  
Boyne Island Environmental Education Centre will receive

**\$5 362\***

## This funding will be used to

- Increase the number of schools and ultimately students able to utilise the Centre to support the Australian Curriculum learning outcomes
- Clarify the programs, initiatives and scope of education that our Centre can provide to schools
- Increase teaching staff capability to self reflect and deliver the Centre's Pedagogical Framework including embedding Higher Order Thinking Skills (HOTS) and the implementation and enhancement of STEM initiatives and digital technologies within programs

## Our initiatives include

- Develop a communications and marketing plan to clarify BIEEC's scope of educational opportunities for students – website, social media, advertising, community and partnership engagement
- Engage a casual administration officer to aid in marketing execution including website redevelopment
- Engage professional development in coaching (Growth Coaching) to refresh teaching staff in collegial coaching practices for pedagogical reflection, innovation and embedding HOTS
- Engaging professionals in their STEM field to deliver educational outcomes to students within programs

## Our school will improve student outcomes by

Engage a casual administration officer to aid in marketing execution including website redevelopment and associated materials	<b>\$3000</b>
Update professional development Collegial Coaching Professional Development (Growth coaching)– TRS release and PD registration *some additional school funds required to complete this goal	<b>\$1362</b>
Engaging STEM experts in their field for annual STEM Girls Camp	<b>\$1000</b>
<b>Total cost</b>	<b>\$5362</b>
